

PHYSIO is *HIRING!*

- Do you want to be part of a dynamic, progressive physical therapy company?
- Do you value mentorship and education?
- Do you appreciate culture, fun, and work-life balance?
- Do you want the opportunity to work with semi-professional athletes?
- Do you enjoy teaching fitness classes and addressing pre-habilitative fitness?

If so, Physio Movement & Performance is the right fit for you.

Physio Movement & Performance is looking for a highly motivated physical therapist to join their growing team. Physio is an progressive, fitness-forward physical therapy company that values culture and the wellness and work-life balance of their team.

About us

Physio Movement & Performance is a physical therapy and fitness studio that specializes in movement analysis, manual therapy, strength, and performance. Physical Therapists have access to a variety of rehab/strength training options including barbells, kettlebells, Pilates Reformer, and more.

Job Description:

- The Doctor of Physical Therapy will be responsible for providing high quality patient care in an outpatient setting.
- Duties will include conducting initial evaluations, developing treatment plans, and providing hands-on therapy.
- Willingness to expand their knowledge and grow their career at Physio.

- Exciting growth opportunities to work on the field and in the locker room with pro/semi-pro sports teams (currently on the training staff for Tacoma Galaxy/Tacoma Stars).
- Opportunity to teach fitness classes
- The ideal candidate will be motivated, compassionate, positive, and have the ability to connect with patients of all ages.

Salary & Benefits:

Base Pay Range:

- \$80,000-95,000 annual pay (full-time)
- Exact compensation will vary based on skills and experience

Benefits:

- One-on-one care: 50 minute sessions
- Medical Benefit Options
- APTA Dues
- \$2000 Continuing Education Reimbursement
- 401K Matching
- Vacation/Sick Pay
- Paid Holidays
- Mentorship Option with Dr. Becky Rucker

Schedule:

- 10 hour shift
- 8 hour shift
- Monday to Friday
- Full-time or Part-time

Mentorship Option:

New graduates or PTs with 1-2 years experience are encouraged to apply. Mentorship with Dr Becky is an option. Dr. Becky Rucker has studied extensively in movement control/analysis, including work in Pilates and higher level fitness/barbell/kettlebell strength.

Minimum Qualifications

- Degree in Physical Therapy from an institution accredited by Commission on Accreditation in Physical Therapy Education
- Current Washington State Physical Therapist License (or license applicant status)
- Demonstrate strong clinical skills with the ability to treat a variety of diagnoses
- Exhibit excellent communication skills with both patients and fellow staff members
