

Physical Therapist (Outpatient Ortho)

Everett, WA

About the company:

Cascade Rehab is a part of the **Physical Rehabilitation Network** (PRN – www.prnpt.com). Our clinics specialize in outpatient orthopedics with an emphasis on using evidence based functional exercises and manual therapy. Our clinics also offer subspecialties in sports training, running assessments, orthotic fabrication, women's and men's health, vertigo, balance, fall prevention, aquatics and lymphedema. You'll work alongside certified manual therapists, orthopedic therapists and hand therapists who are well-known and respected in their communities. Check out our company's website:

About the Clinic/Job:

Where: Cascade Rehab Broadway is an outpatient ortho/sports rehab clinic located in **Everett, WA**. Close to city activities; cultural, shopping and entertainment as well as farm and mountain life. Outdoor opportunities are endless, including skiing/snowboarding, fishing, hiking and biking.

What: Work with us in our spacious outpatient ortho/sports clinic and some of the world's most advanced rehabilitation technologies and treatments.

When: We would like to fill this position ASAP.

Who: We are in need of a **Full Time Physical Therapist**. Someone who wants to be an expert clinician. We want someone who is passionate about helping people. The ideal candidate would have 2-3 years, and very interested in manual therapy, however, new grads are welcome to apply. Mentorship is important to us.

Please only apply if you are a registered Physical Therapist. Avoid becoming just a number within a massive hospital system, come join our private practice where you are part of a personal, motivated team.

Benefits: Well compensated (salary dependent on experience) and incentive pay. We have medical, dental, and vision insurances, 401K, continuing education opportunities, paid time off, holiday pay and flex spending.

If you enjoy the thought of working in an outpatient ortho setting with esteemed colleagues for an organization that has been providing high quality care for a long time, then we invite you to apply. We will review and consider all applications that meet the criteria required above. Please do not apply without the proper experience and licensing.
